into holder.

APPLICATIONS

The JAWS® Professional Mopping System delivers industrial-grade cleaning power in a convenient, time-saving package. Each fully loaded mop delivers nearly 7,000 sq/ft of surface cleaning - perfect for medical offices, daycares, gyms or front-of-house where traditional mopping isn't convenient.

JAWS® PROFESSIONAL CARTRIDGE TECHNOLOGY

JAWS® Professional Mopping System is powered by a proprietary and patented range of powerful, rinse-free cleaning solutions for quick clean ups that keep your floors streak & film-free.

Mopping System Formula Benefits:

No Rinse

Duo Complete
Disinfectant

Cleans, disinfects & sanitizes in one step

No-rinse, streak-free formula requires no PPE

Fast-acting formula sanitizes floors in 30 seconds

Lavender Citrus Fragrance

MaxBiotic
Enzymatic Floor Cleaner

Enzyme-fortified cleaner & degreaser

Penetrates deep into porous surfaces attacking embedded soils

Enzymes continue to clean after the mopping is done

Lavender Fragrance

Nuevo Clean
Floor Cleaner

Cleans & deodorizes in one step

Concentrated, surfactant-packed formula

Multi-surface cleaner leaves long-lasting lavender scent

Citrus Fragrance

Citrus Balance
